18:53:53 From Josh Diekmann, Public Works : Rick - thank you for your interest in the permit history for the food bank. I don't know all the history of prior permit activities, but it is necessary for activities impacting any mode of transportation to have a permit for those activities. 19:01:19 From Judith Miller : WORST of the 11 years I've lived here...terrifying AND dangerous!!!

19:13:10 From Diane Blount : I appreciate the due diligence of our Police officers on the Eastside. Thank You!!

19:14:41 From Judy Olsen (she/her) : I actually received much better service from 911 in the past month when I called. Previously I've received poor treatment from the 911 operators so this was very refreshing. She pulled up my house immediately and asked me "if I'm facing your house, is it to the right or left" rather than saying "is it East, West, North, South" I never know that one!
