01:08:25 Daniel Burdsall - TPCHD: It is Smoke Ready Week

With temperatures already reaching 90 degrees, we could be in for a long, dry, smoky summer. It is National Smoke Ready Week.

Smoke Ready Week reminds us all to prepare for summer wildfire smoke.

Wildfire smoke is one of the biggest health risks during the summer.

Smoke can lead to respiratory issues for everyone, but especially older adults, children, and people with chronic conditions.

Follow along on our social media this week as we give tips to protect you and your loved ones from wildfire smoke. Find more info at tpchd.org/wildfiresmoke.

01:08:36 Kimberlie Lelli for CM Bryan Yambe D5: Do you have wildfire handouts that we can take to community meetings?
